This evering, at the Opera House, the Stafford-Foster company will present Shakespeare's great tragedy "Othello," it being the flist appearance of these artists in this city. We bespeak for them a cordial reception. The engagement will close of the grand old play, "Ingomar, the Ha-

Davis, with his Aivin Joslyn Comedy Company, \$10,000 challenge band,

nuguificent orchestra, etc., will be at the Opera House next Saturday night, and will draw ith immense house. The play is of the "Joshua Whiteomb" order, and has made a fortune for its owners. Mr. Davis has, probably, the fluckt collection of diamonds of any one lu the profession. among them being a watch coating \$7,000. These diamonds will be displayed at Pol's lewelry store on the day of the show.

Redmund-Barry. "A Miduight Marriage," to be presented by Mr. William Redmund and Mrs. Thos. Barry, next Monday and Tucsday, has proved at play of exceptional merit, and gives these favorite artists unusual opportunities for the display of their bistrionic side. The tour is manuged by W. B. Heart and W. R. Falls.

From Orono.

one morning about two weeks ago. He Williams. had gone to Auburn, a town near by, the A cow owned by Mr. Phillip Douglas, of day before an business and returning in this city was killed while in pasture Wedsearch for it and walked over a bluft, dogs. fulling about two hundred feet. It seems where he had evidently taln down, after having gone to the river to drink. Mr. Webster was born in Orono in 1828, and was a brother of James Webster, Esq., who now resides here. He left for Callfornia thirty-three years ago, but yer many of our pider businessmen remember money. hlm perfectly. He had made man; friends in the home of his adoption, and those who know has speak, of him as a high Craugle, of this city, is rapidly approach minded business man of keen percentious. Prof. C. II Benjamin and Mr. Walter A. J. Durgin, of Orono, left here Satur-

e been visited by the promised e, and from present appearances ne to stay. After a week of ex-- cold weather the day a and ulghts algus of coming warmth. Overwarm fires are an absolute neces-nearly every rother inhabitant is Ith a severo cold. The nights of and Sunday last were distin-

gulahed by heavy and unseasonable frosts, this fall. Corn, cucumbers and vines were badly damaged and nearly all vegetables were more or less injured.

A great many Calals people attended the Pembroke fair this year, the largest number going Thursday morning, "On that evening the streets presented a very desolate picture, appearing more like Suntay than any other day to an observant person. The New Brunswick Rallway shops at Gibson, N. B., have been closed and the force summoned to McAdam Junetlen, where all the works of the road are now concentrated.

The subject, "Why do not more young men attend church," will be, discussed by Roy. Mr. Vincent at the Union church on Sunday. The Stafford-Poster Company appear in Caluls shortly. There has been a remarkable dearth of good companies here the

past year and this troups will undoubtedly.

by well patronized, especially as it comes so well recommended. Ex-Mayor Boardman, City Marshal Smith, Geo. W. Lord, Esq., and H. A. Ridcout, Esq., who have all been housed for some time by sickness, are out once more attendant upon their customary

duties though neither have entirely re-Gen. Rendal Whiddon, aged 94, came from Nova Scoth week before last to vote at the State election. His vote proved useless, he throwing the straight Democratic

Mr. John D. Bonness, for several years pust customs officer at St. Stephen, has een transferred from the St. Stephen District and promoted to Wolfe's staff of officers with headquarters at Montreal. Mr. Bonness has been distinguished in his official capacity at St. Stephen by numerous large seizures and has proved a re-markably efficient officer. His new commission empowers him to make selzures in any part of the Dominion, and incests like with other and larger powers than he be fore possessed. . .

George McDonald and three companions had a narrow escape from drowning last week. Their bout was capsized and they indoubtedly would have been drowned but for the timely, assistance of unother party, which were luckly near at hand and escued them.

Rev. Mr. Robinson, a missionary, lately returned from Erromangu; one of the New, Hebrides Islands, delivered an interesting lesture on Thursday evening at the Presbyterlan church, St. Stephen, to a very appreciative audiches. Mr. Robinson is Our correspondent writes: Mr. Ellight the first missionary who has ever returned from Erromanga, which has been made the first missionary who has ever returned Indian Oil, found dead fow miles from his residence famous by the murder of the Gordons and

TEA WI

only man standard, until I employed them in the fiftee during bully weather. So no of them could not dispense with smoking them could not dispense with smoking from the from belt, but without to introduce two or three thems, feeling innersy under the restraint. I do not add to the could be those men would smake six as about the course of the course o

then could not dispense with snoking the morning multi the monoball, our whitest obtaining two or three times, feel-dispense with the monoball, our whitest obtaining two or three times, feel-dispense may make the restraint. I do not dispense the monoball snoke six or eight these men would snoke six or eight these men would snoke six or eight the daily in the fields, and every snoke the state of the state
